

*Prelude for a New World* fyrir píanó var samið árið 2020 þegar COVID-faraldurinn geisaði. Margir veltu fyrir sér hver langtímaáhrif faraldursins yrðu og hvernig heimurinn myndi líta út að honum loknum. Ýmsir sáu fyrir sér nýjan og betri heim . . .

Höfundur frumflutti verkið á YouTube, 30 desember 2020.

---

*Prelude for a New World* for piano was composed in 2020 when the COVID pandemic was raging. Many wondered what the long-term effects of the pandemic would be and what the world would look like once it was over, and various people envisioned a new and better world...

The composer premiered the piece on YouTube on December 30, 2020.
